

# CYBER SECURITY IN SCHOOLS

## PROJECT AIMS

- ✓ Creating a safe environment for students in the cyber world where there is unlimited information flow and enabling them to use technology in a positive way.
- ✓ Provide students with the necessary competencies to protect themselves in social media and internet environment. To encourage teachers and administrators to cyber security education.
- ✓ Increasing students' ICT and digital competencies.
- ✓ Gain the ability to think critically about the validity and reliability of the content on the Internet.
- ✓ Understanding the rights and responsibilities of digital identity, digital ethics and digital citizenship.
- ✓ Recognizing malicious content and social engineering methods and gaining the ability to take precautions. Learning Internet and social media literacy..
- ✓ Creating a secure password and ensuring the confidentiality of personal data.
- ✓ Developing students' intercultural learning skills and enabling them to get to know different cultures.

## NOVEMBER 2021

### TEACHERS LTT – TURKEY

Our First LTT held in Keşan/ Edirne, Turkey between 08 - 12th of November 2021. This was joint Staff Training Activity. Host school was KTSO Mesleki teknik Anadolu Lisesi. Totally 8 teachers from Portugal, Greece, Spain, Italy took part in our first LTT. These 5 days teachers had seminars about cybersecurity and cyberbullying, web 2 tools, which we will use in the project and prepared a sample of lesson plan. We took a cultural trip to the Edirne city center.

## FIRST YEAR E-BOOKS

Funded by the  
Erasmus+ Programme  
of the European Union

## APRIL 2022

### LTT – PORTUGAL

Our second LTT held between 4-8th of April, 2022 in Covilha, Portugal. This was a short term exchange of group of pupils. Host school was Escola Secundária Campos de Melo. By the end of the 5 days LTT activities, our students made workshops, presentations about social engineering, harmful content, web 2 tools for preparing cartoons and visited the data center of the University in Covilha.

## MAY 2022

### LTT – ITALY

Our third LTT held in Agrigento, Sicily, between 2-6th of May 2022. This was a short term Exchange of group of pupils. Host school was IPSCEOA GALLO, Italy. By the end of 5 days LTT Activities, our students had made round table discussions, presentations, workshops about social media use. We also had cultural trips in Sicily.
